

Disaster Resilient Community Support Project

Identification

Project Title: Disaster Resilient Community Support Project

AMP ID: 8723890114923

IATI Identifier:

Gender Marker: Neutral

Climate Change: Highly relevant

Budget Head:

Status: On-Going

Status Reason:

Budget Type: Off Budget

Input: Financial, human resources and technical support.

Output:

- More than 35,000 people of Kavrepalanchowk, Nuwakot and Sindhupalchowk districts will receive medical health services at earthquake resilient reconstruction health facilities.
- 24 water supply systems, 280 latrines will be maintained or rehabilitated in target communities along with awareness on hygiene promotion reaching over 33,000 people.
- 255 most vulnerable earthquake affected families will have safe earthquake resilient homes to live and are protected from cold and rain.
- Upto 72 existing ward communities in 8 identified VDCs will be provided support in taking maximum responsibility for disaster management at their respective level to the Nepal Government's Flagship-4

Outcome:

- People will have access to better health services
- People will have access to better and year round health services at local level
- People have access to better mental health services at local level health facilities. Over 30% people including school who have suffered from psychological distress will directly benefit at their own community/school
 - Positive change in sanitation habit and hygiene behaviour. Improved hygiene behaviour and access to safe water and safe excreta disposal
 - Case of fecal borne diseases will be reduced and contribute to making the VDC open defecation free
 - Water Supply will continue throughout the year and over 3600 people will have direct access to drinking water everyday
 - 25 Families will have safe home to live
 - VDC and ward level disaster management committee will be equipped and function with basic level of intervention plan

Impact: Communities in target areas are resilient for further disasters.

Treasury Type:

Humanitarian Aid: Yes
