 Two days orientation on psychosocial skills to WDOs
 Support DWC to implement women development programme in 3 programme area.
 Joint monitoring visit
 Develop GBV programme implementation guideline for health workers
 Develop 5 policy briefs based on good practices in programme
 Organise National Conference
 Conduct a comparative study of OCMCs with and without psychosocial
 Discussion of study results with MoHP
 Share the progress of the project with WDOs and DHOs during their review meeting
 Two days orientation on psychosocial skills to WDOs
 Support DWC to implement women development programme in 3 programme area.
 Joint monitoring

Output:

Output 1.1: Women Cooperatives (WC) have established functioning GBV watch groups and adolescent girls groups to address GBV
 Output 1.2: Men and boys have acquired the capacity to engage in the prevention of and response to GBV
 Output 1.3: CSOs, media and research organizations have engaged in evidence based advocacy for an improved response to GBV by GoN actors at district and national level
 Output 2.1: Women and Children Development Offices, police, and legal service providers have been enabled to prevent GBV and response to GBV
 Output 2.2: Women Service Centers have been established and are functional in all working districts, with links to capable referral safe house Kathmandu
 Output 2.3: Health facilities in the working districts have built up the capacity to provide adequate medical services and community based psychosocial case management for GBV survivors and their families
 Output 2.4: MoWCSW and MoHP are supported with evidence to develop policies and plans

Output 2.5: MoWCSW and MoHP are supported with evidence to develop policies and plans

Outcome: Outcome 1: Women and men in the working districts increasingly prevent, report and address gender-based violence
Outcome 2: Duty bearers respond effectively to gender-based violence in the working districts and increasingly at national levels

Impact: The prevalence of gender-based violence is reduced through the effective empowerment of women and men and through prevention and response interventions by more responsible and capable government agencies
