

Ghar Ghar Maa Swasthya (GGMS/CRS)

Identification

Project Title: Ghar Ghar Maa Swasthya (GGMS/CRS)

AMP ID: 8723881979

IATI Identifier:

Gender Marker: Neutral

Climate Change: Neutral

Budget Head: 370

Status: On-Going

Status Reason:

Budget Type: Off Budget

Input:

1. Market and distribute family planning (FP), HIV/sexually transmitted infection (STI), and maternal and child health (MCH) products and services
2. Expand distribution network in hill and mountain areas to increase availability and accessibility to FP, HIV/STI and MCH products and services
3. Open new targeted condom service outlets in 26 districts and resupply existing outlets of all 75 districts
4. Conduct FP, MCH and HIV/STI prevention basic and refresher training private sector providers in 49 hilly districts
5. Monitor and supervise quality of care at social franchising network outlets
6. Realign product portfolio to achieve greater sustainability, including the launch of new products (STI treatment kit for male urethritis, male condom and sanitary pads)
7. Use international competitive bidding process to procure new and existing products
8. Manage communication and advocacy activities to increase awareness of FP, HIV/STI prevention and MCH products and services

Output:

1. CYP achievement of FP products. Sales achievement of MCH products
2. Number of distributors appointed in hilly area
3. Number of new outlets opened in 49 districts and number of existing outlets resupplied with CRS products in 49 districts
4. Number of new condom outlets opened in 26 districts and number of existing condom outlets of 26 districts resupplied with condoms
5. Number of people trained in FP/reproductive health (RH) through US Government (USG) funds. Number of people reached with FP/RH and MCH messages using USG funds disaggregated by gender
6. Number of people reached with HIV prevention messages with USG fund disaggregated by gender
7. Number of products that achieve full cost recovery. Number of products that achieve product cost recovery
8. Number of STI treatment kits sold

Outcome:

1. Increased availability of selected quality FP and MCH products in rural, hard to reach areas

2. Improved system of quality assurance and waste management related to FP and MCH products and services delivered by CRS
3. Increased availability of commercial condoms in traditional and non traditional outlets of hot zones
4. Increased availability of condoms and STI treatment kit
5. Increased use of better business models, tools and techniques for cost recovery and surplus
6. Enhanced awareness and positive attitude change concerning selected quality FP and MCH behaviours in rural, hard to reach areas
7. Enhanced awareness and positive attitudes concerning selected HIV prevention behaviours in urban hot zone areas

Impact: Contribute to the Government of Nepal's efforts to: • Increase national contraceptive prevalence rate • Decrease national fertility rate • Decrease prevalence of HIV • Decrease maternal and child mortality rate

Treasury Type:

Humanitarian Aid: No
