

# CHILD FOCUSED MULTI - SECTORAL DEVELOPMENT PROGRAMME

## Identification

Project Title:	CHILD FOCUSED MULTI - SECTORAL DEVELOPMENT PROGRAMME
AMP ID:	87238117723792
IATI Identifier:	
Gender Marker:	Directly Supportive
Climate Change	Relevant
Budget Head:	
Status:	On-Going
Status Reason:	The Project agreement
Budget Type	Off Budget
Input:	<p>Activity 1.1.1 Teachers trained to apply effective pedagogy in classroom teaching &amp; learning practices.</p> <p>Activity 1.1.2 Equip schools with teaching learning materials( book corner)</p> <p>Activity 1.1.3 Facilitate schools to apply effective monitoring and governance system (EMIS and database)</p> <p>Activity 1.1.4 Support project teams to do rapid idealization, research and prototyping in order to validate early thinking, and development of a proof of concept around new tools that support early grade reading</p> <p>Activity 1.2.1 Raise awareness of parents/caregivers (workshop, training etc.) to support children</p> <p>Activity 1.2.2 Involve children participated in reading activities</p> <p>Activity 1.2.3 Establish and functionalize community-based reading activities for children</p> <p>Activity 1.2.4 Provide reading camps with age and developmentally appropriate reading materials</p> <p>Activity 1.3.1 Implement Comprehensive School Safety Framework(CSSF) at schools</p> <p>Activity 1.3.2 Construct child friendly classroom with sitting arrangement (JICA Model-2 room)</p> <p>Activity 1.3.3 Provide schools with gender friendly, child-friendly and disabled friendly toilet ( 2 rooms ) including disposal system</p> <p>Activity 2.1.1 Train farmers on market led- farming techniques (Local Value Chain Development Model)</p> <p>Activity 2.1.2 Support Irrigation for needy farmers</p>

Activity 2.1.3 Provide subsidy to the farmers and families (agricultural inputs such as micro irrigation, seeds, goat sheds, pig sheds)

Activity 2.2.1 Provide small business and vocational training/skills (following TEVT curriculum) and start up support (with certificate)

Activity 2.2.2 Strengthen producers groups capacity on key skills (Social, Financial, Production, Market Engagement, Innovation)- (Agriculture Development Strategy, 15th Plan point 3- "GA" National Production, PM Agriculture Modernization Project)

Activity 2.2.3 Conduct market literacy classes (Agriculture Development Strategy, 15th Plan point 3- "GA" National Production, PM Agriculture Modernization Project)

Activity 2.2.4 Facilitate linkages of producers group with market actors and service providers for local value chain development (Agriculture Development Strategy, 15th Plan point 3- "GA" National Production, PM Agriculture Modernization Project)

Activity 2.2.5 Capacitate on alternative livelihood options such as plastics recycling and digital manufacturing.

Activity 2.2.6 Research and development of new non intrusive technologies that facilitate market access.

Activity 3.1.1 Create awareness on maternal and child health and nutrition among pregnant women, lactating women and primary caregivers of children under 5

Activity 3.1.2 Strengthen growth monitoring of under-five children and align with MSNP

Activity 3.1.3 Malnourished children have access to nutrition rehabilitation interventions

Activity 3.1.4 Equip PHCORC/health facilities with medical equipment as necessary

Activity 3.1.5 Construction of PHCORC

Activity 3.1.6 Capacitate health facilities to digitally manufacture medical equipments to bridge supply chain gaps.

Activity 3.2.1 Create awareness on adolescent health including but not limited to sexual and reproductive health, menstrual hygiene management etc.

Activity 3.2.2 Renovation/construction of gender friendly toilets in schools

Activity 3.2.3 Establishment of resting rooms in schools

Activity 4.1.1 Facilitate planning and implementation of Local Disaster Climate Resilience Plan(LDCRP) also strengthen community disaster management institutions(prepare first responders for disaster)

Activity 4.1.2 Implementation of small scale mitigation activities (hardware activities including construction of retaining walls, culverts, roads, community building etc, promote bioengineering)

Activity 4.1.4 Implement PPP initiatives on disaster risk management and resilience (work with petrol pump/gas depot for fire preparedness, micro/macro enterprises, FNCCI)

Activity 4.1.5 Support government initiatives on monsoon planning( monsoon preparedness of respective districts)

Activity 4.1.6 Respond to disasters if and when occur

Activity 4.1.7 Build and test new solutions for improved disaster resiliency, working

collaboratively with humanitarian partners to pilot solutions in the field.

Activity 5.1.1 Promote safe and inclusive infrastructures for children

Activity 5.1.2 Support service providers with to be equipped with resources and capacity to protect children in normal as well as emergency context

Activity 5.1.3 Technical assistance for Child related Policy formulation/revision

Activity 5.1.4 Engage with concerned government stakeholders to address protection issues

Activity 5.2.1 Capacitate and mobilize children and adolescents to make them resilient against protection issues

Activity 5.2.2 Capacitate and mobilize community groups to protect children

Activity 5.2.3 Capacitate families to protect children

Activity 5.2.4 Support Vulnerable Children/adolescents and families as a means of prevention and response against child protection concerns

Activity 5.2.5 Catalyze and engage private sector and media for engagement in Child Protection concerns

Activity 5.2.6 Use human centric approach to develop improved reporting mechanisms

Activity 5.3.1 Registration of children, Retention and Parental/community awareness

Activity 5.3.2 Monitoring of children, Child/Family Participation; and promote participation of children

Activity 5.3.3 Meet the Correspondence Standard and reporting

Activity 6.1.1 Work with Federal and Local governments to declare child friendly Ward and Palika supporting to implement Child Friendly Local Governance (CFLG) framework

Activity 6.1.2 Collaborate with Local governments for development of Periodic Plan, Vision document, Profile and sectoral plan and policies

Activity 6.1.3 Join hands with local, provincial and federal governments on capacity building on thematic areas (in identified project areas of WVIN)

Activity 6.1.4 Work with Provincial and Federal level on thematic policy development process, research and study ( Such as Education Policy, MNSP-II, National Strategy on ending child marriage in the new changing context)

Activity 6.2.1 Provide orientation and training to PNGOS based on the donor requirements, technical and professional training for new staff

Activity 6.2.2 Collaborate with Civil Society Organizations on project prioritized sectors to ensure rights of children

Activity 6.2.3 Work with community based media to increase awareness on child rights from local to national level

Activity 7.1.1 District Program Assessment and Designs and share with governments at provincial and local level

Activity 7.1.2 Quality Bench Mark Monitoring

Activity 7.1.3 Community Accountability and Public Audits

Activity 7.1.4 Research Scoping studies for programme adjustments, action research for programmes improvement; and share with government at provincial, federal and local level

Activity 7.1.5 Outcome Monitoring

Activity 7.1.6 Projects Evaluations

Activity 7.1.7 SWC Evaluation and Travel Costs

Activity 8.1.1 WV Staff salaries and benefits

Activity 8.1.2 WV Office operating cost - NO and FO

Activity 8.1.3 PNGO Management Cost

Output:

Output-1.1

Strengthened teaching and learning practices enhance children's literacy

Output-1.2

Increased support by families & communities for children's learning

Output-1.3

Improved access to quality and safe learning environment.

Output 2.1.

Families have increased the quality & scale of production

Output 2.2.

Parents and youths have improved engagement with markets & service providers.

Output-3.1

Improved maternal and child nutrition

Output 3.2.

Improved adolescent health

Output 4.1

Increase disaster and climate resilience in program implemented areas

Output 5.1

System Strengthened for Child Protection

Output 5.2

Children and Communities are enabled to protect children

Output 5.3

Families, Groups and Private enabled to protect children

Output 6.1

Local, provincial and federal government's initiatives towards institutionalizing federalism supported

Output 6.2

Increased Civil Society Organizations Involvement on Child Well-being Issues

Output 7.1

Evidences generated for accountability and used to improved programming

Outcome:

Outcome-1:Improved access, safety and quality of education in public schools in line with SSDP

Outcome-2: :Increased household income through livelihood and employment opportunities

Outcome-3: :Child, adolescent and maternal health enhanced in line with Nepal Health policy 2019 thrust

Outcome-4:Disaster and climate resilient communities are built

Outcome-5:Strengthened protective environment and systems

Outcome-6:Initiatives towards institutionalizing federalism supported to the local, provincial and federal governments

Outcome-7:Project delivers good quality programmes and demonstrates measurable impact

Outcome-8: Programme and Projects are implemented and managed effectively

Impact:

To contribute towards well-being of children through improved access to services in working areas.
