

Transformed People-Transformed Communities (2020-2025)

Identification

Project Title: Transformed People-Transformed Communities (2020-2025)

AMP ID: 87238117724004

IATI Identifier:

Gender Marker: Directly Supportive

Climate Change Relevant

Budget Head:

Status: On-Going

Status Reason: This project is the

Budget Type Off Budget

Input:

1. *Livelihood Component: Software*
 - 1.1 Provide consultation to farmers/ Mothers Group/ WASH Groups to create business/ livelihood plans and organize needed livelihood trainings based on business/ livelihood plans.
 - 1.2 Provide Saving and Loan training to groups
 - 1.3 Organize career counselling training and provide consultation to develop career plans for youth in communities and schools for future employment
2. *Livelihood Component: Hardware*
 - 2.1 Provide matching seed money to groups/ families based on their business/ livelihood plans
 - 2.2 Support for water supply to communities by matching fund with local government
 - 2.3 Support small scale irrigation systems for farmers by matching fund with local government
3. *Education Component: Software*
 - 3.1 Capacity building trainings (need based) for teachers, School Management Committees and PTAs on child friendly teaching and learning pedagogy and School Improvement Plan
 - 3.2 Empower Child Clubs for awareness raising on child rights, trafficking, corporal punishment, Gender based violence, sexual violence, and self-defense in working areas
 - 3.3 Capacity building training to Mothers Group on parental mobilization, child rights and guiding education of children in household level
4. *Education Component: Hardware*
 - 4.1 Provide teaching/ learning material support to schools by matching fund with local government.
 - 4.2 Provide career counselling and support to youth for Vocational Training that lead to employment
 - 4.3 Provide physical infrastructure (classrooms) maintenance support to schools by matching fund with local government
 - 4.4 Support to schools for safe drinking water supply by matching fund with local government
 - 4.5 Model toilet construction by matching fund with local government
 - 4.6 Support playing materials to schools by matching fund with local government
 - 4.7 Support computer to schools for piloting digital literacy by matching fund with

local government

5. Health Component: Software

5.1 Conduct monthly WASH group meetings.

5.2 Conduct orientation and capacity building training on Total Behavior Change (TBC), WASH and Nutrition related themes.

5.3 Conduct awareness on Sexual Reproductive Health and Rights (SRHR), and HIV and AIDS.

6. Health Component: Hardware

6.1 Install 400 deep handpumps for safe drinking water in cooperation with local government and communities.

6.2 Conduct water test

6.3 Public toilet construction to contribute to reach Total Sanitation by matching fund with local government

6.4 Organize health Camp to the children by matching fund with local government.

7. Coordination, Monitoring, and Evaluation

7.1 Organize and participate coordination (PAC/ CPAC) meetings in Municipality, District and Central level.

7.2 Conduct monitoring and evaluation of Programme in working areas

7.3 Conduct social audit annually in working areas

8. Cross Cutting Themes (DRR and Environment)

8.1 Conduct awareness training on Disaster Risk Reduction (DRR).

8.2 Organize/ Co-organize Environmental awareness and tree plantation in coordination with local government

Output:

1. Increased productive assets of 500 families to strengthen the adequate living standard.
2. Strengthen Community Groups to support families for their livelihoods.
3. Increased access to Child Friendly Education of the children in Basic Education.
4. Increased knowledge and skills of Mothers Groups, SMC and PTA supporting access to education of all children.
5. Improved sanitation, hygiene and nutrition situations.
6. Improved practice of safe and clean drinking water.
7. Increased Networking/Coordination and collaboration with Government and Other stakeholders in different levels.

Outcome:

1. Livelihood component: Increased livelihood capacity of vulnerable people in the working areas.
2. Education component: Increased quality education of children in the working areas.
3. Health component: Increased health and WASH among vulnerable people in the working areas.

Impact:

1. Improved health, education and livelihood conditions of the vulnerable people in the working areas.

Treasury Type:

Humanitarian Aid: No
